ABOUT THE CONFERENCE

The 2023 AIChE Southwest Regional Conference will bring together some of the world's brightest chemical engineering students together **in the heart of College Station, Texas**. Events will include competitions such as ChemE Jeopardy, ChemE Car, Technical Paper, and Poster competitions. The conference will also include a series of **corporate workshops and talks**, a **career fair**, a **corporate panel** of industry leaders, and **networking sessions** where you can interact more informally with students. We plan to host the conference in an in-person format.

This conference will provide your company **unprecedented** opportunities to interact with the very best Chemical Engineering talent our nation has to offer. For your company we offer the following partnership opportunities:
